

#MissionASK100

IF YOU NEVER ASK THE QUESTION, THE ANSWER CAN NEVER BE YES!

You are challenged to OFFER to as many as possible! When you have this sheet completed, call me for a special prize. More importantly, you will have more parties, more sales and more new recruits than you'd ever imagined.

Your Name: _____

For the maximum efficiency, be sure to use the Five Questions for each person you talk to...

1. Have you heard about Tupperware's new way of doing business called side gigs? Would you want to learn more about it to earn a little bit of money all the way to a lot?... *Be sure to have the most recent Opportunity information/Say Yes flyer available to share!*
2. I would love to get together with you and your friends, show you what's new, share some easy recipes with you and give you FREE Tupperware... *Be sure to have your calendar with available party dates in front of you and give 2 options. Don't be afraid to date in close. A Tupperware gig is shopping and eating; no advance notice needed!*
Example of how the conversation could go: Do weekends or weekdays work better for you? After they answer: Give the first 2 open dates that work for you based on their choice. Then offer 2 starting times like: 6:30, 6:45 or 7 pm?
3. I am looking for 20 helpers to collect orders so I can earn _____. Will you be one of my Happy helpers? *Have a host packet to give her with catalogs, flyers, order forms, etc.*
4. We have some great offers and gift ideas this month. Do you know someone who is having a birthday, anniversary or shower that I can help you shop for? I am placing an order on Friday, what can I order for you.... *Be sure to have all the specials in front of you!*
5. I give gifts for referrals. Do you know anyone who might be interested? **THANK YOU FOR YOUR TIME!**
