Steps to a Successful Party!

Invite (The More, the Merrier!)

Remember your out-of-town friends and relatives!

1. Call guests and personally hand out and/or mail monthly flyers, using a forever stamp on each.

Collect Orders (The Sooner, the Better!)

1. Anyone and everyone can order Tupperware
2. Full payment must accompany each order and is easiest when they shop online. They can do so by going to www.sarahbstars.com and looking for your name to connect with your party
3. Get orders to me _____ by OR receive **8 MORE POINTS** toward Tupperware from my basket when you are able to "close" your party the same day as your party.

Have Your Party (The Easier, the "Funner"!)

1. Remind guests that they get gifts:
 - when they bring an uninvited adult guest
 - when they bring a friend's order
2. Prepare simple refreshments
3. Kick back and enjoy your guests

Pick Gifts (The More Sales, the More Datings, the More Selection!)

From Me:
